Probuilt Remanufactured Engines wants you to know that our engines are fully remanufactured by expert craftsman, using only the highest quality parts. Under normal driving conditions, Probuilt engines are designed to provide years of trouble-free operation. By following a few simple guidelines you can be sure that your factory warranty will remain in effect, and that your Probuilt remanufactured engine will perform to your complete satisfaction.

Probuilt backs its engines with one of the strongest warranties in the entire automotive industry. To keep your warranty in effect, it is important to follow the vehicle's original manufacturer's maintenance schedule.

**Engine Maintenance Log**

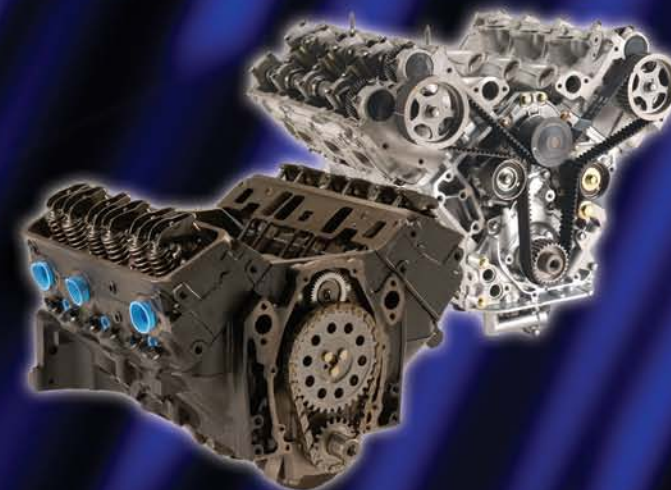

This log has been included as a quick reference for users of Probuilt engines. Please retain all original receipts, repair orders and invoices relating to engine maintenance. You may be required to provide service records for any warranty consideration.

*Don't forget you can register your engine online at [www.probuiltenines.com](http://www.probuiltenines.com)*

## PROBUILT REMANUFACTURED ENGINE LIMITED WARRANTY CONDITIONS

PROBUILT warrants to the original purchaser that each remanufactured engine sold by Pep Boys shall be free of defects in material and workmanship under normal use and with periodical maintenance as set forth by the original manufacturer subject to the following terms and conditions.

### 1. DEFINITIONS:

Engine: As used in the warranty refers to the remanufactured assembly (basic block, cylinder head and internal components) as assembled by PROBUILT.

Cylinder Head: As used in this warranty refers to the remanufactured cylinder head including those parts and accessories as supplied by PROBUILT.

### 2. TERM:

**STANDARD WARRANTY:** This warranty shall exist for 12 months and unlimited mileage. Warranty term begins on date of installation or within 10 days of original purchase date. The standard warranty applies to most engines used in passenger cars and light trucks up to 11,000 GVW (Gross Vehicle Weight). PROBUILT expressly does not offer standard warranty engines for any other uses than those listed above; therefore PROBUILT accepts no responsibility when a standard warranty engine is used in a manner not listed above.

**EXTENDED WARRANTY:** Engines purchased with an available extended warranty carry the same warranty terms as the Standard warranty, but for a period of 36-months and unlimited mileage with no labor maximum per accepted claim. All other terms and conditions remain as outline in the Standard Warranty.

EUROPEAN and DIESEL engines, and TRUCKS over 11,000 GVW are covered by a 12 month or 12,000 mile limited warranty only. MOTORHOME applications are not cataloged or covered by this warranty. PROBUILT does not intend for its engines to be used in MOTORHOME applications.

MARINE applications are covered by a 12 month/unlimited hours warranty with a maximum replacement labor eligibility of \$350.00. Engines used in marine applications that are not cataloged as such are warranted for 30-days with no labor provision.

CYLINDER HEADS supplied separately carry a warranty term of 12 months or 12,000 miles, whichever occurs first.

FARM, LIFT TRUCK and INDUSTRIAL applications carry a warranty term of 12months/unlimited hours with a maximum labor eligibility of \$350.

**3. PRODUCT REPLACED UNDER WARRANTY:** Product replaced under warranty carries the remainder of the original product's warranty term.

**4. STANDARDS:** Subject to limitations listed herein, PROBUILT, at its option, shall repair or replace a product within the warranty term after determination by PROBUILT that the product is defective. All products are to be returned to PROBUILT for inspection. Products not returned to PROBUILT will not be warranted. All repairs and/or replacements covered by this warranty must have prior authorization from PROBUILT. Unauthorized repairs will not be paid.

**5. LIMITATIONS:** This warranty applies to products originally supplied by PROBUILT. This warranty does not apply to or include any of the following:

- A) Damage as a result of OVERHEATING, LACK OF LUBRICATION or CONTAMINATION.
- B) Repair or replacement required as a result of any accident or misuse.
- C) Damage resulting from PRE-IGNITION or DETONATION. This includes but is not limited to melted or broken pistons, broken piston rings, damaged cylinder

heads, leaking head gaskets, etc. For more information regarding pre-ignition and detonation please contact our Customer Service Department at 1-800-790-9140.

- D) Repair or replacement of any accessory or service item, including specifically but not limited to: all components of the cooling, fuel, electrical and ignition systems in addition to all belts, hoses and filters.
- E) Any product used for competition racing or related purposes.
- F) Any product to which a device or accessory not conforming to original manufacturer's specifications has been installed.
- G) Damage as a result of electrolysis, including but not limited to, deterioration of the engine components as a result of excessive electrical current or improperly maintained coolant, and/or any product on which periodic maintenance services required by the manufacturer have not been performed.
- H) Crankshaft thrust surface worn due to excessive forward pressure placed on the rear of the crankshaft.
- I) Damage resulting from improper repair(s) or attempted repair(s) by any service technician.
- J) High performance: some applications may not meet emissions standards. Check your local and state ordinance.

**6. LIMITED LIABILITY:** PROBUILT'S liability under this warranty is limited solely to the repair or replacement of defective product. PROBUILT shall not be liable for any incidental, special, consequential or exemplary damages, including but not limited to rental cars, towing fees or for any service not expressly provided herein, relating to or arising from the PROBUILT product.

**7. LIMITED WARRANTY:** This warranty is given in lieu of all other warranties, expressed or implied, including any warranty of merchantability, or fitness for a particular purpose, on the part of PROBUILT or the dealer installing the engine. No dealer nor any agent or employee thereof, is authorized to extend or modify this warranty.

**8. LABOR PAYMENTS:** PROBUILT authorized repairs will be compensated at a rate not to exceed 100% of either the Mitchell, Motors or Chilton Repair Manual's published applicable flat rate schedule. For all EXTENDED WARRANTY engines, if the repair is performed by a licensed repair facility, hourly rates for all authorized labor claims will be paid in accordance with the original installation rate, not to exceed \$42.00 per flat rate hour, with no labor maximum per accepted claim. Reasonable diagnostic time will be allowed on accepted claims. For all STANDARD WARRANTY engines, hourly rates for authorized labor claims will be paid up to \$42.00 per flat rate hour with the TOTAL LABOR COMPENSATION PER ACCEPTED CLAIM LIMITED TO A MAXIMUM OF \$400. Unlicensed repair facilities will be paid at a rate not to exceed \$15.00 per flat rate hour. There is no provision for do-it-yourself repairs.

### 9. ADDITIONAL OWNER/USER OBLIGATIONS:

Initial Start-up: Valves must be readjusted to manufacturer's specifications. Due to various component designs, cylinder head re-torque may or may not be required in your particular application. Refer to factory shop manual for the proper procedure for your engine type. If for any reason you are unsure what action to take please contact our Customer Service Department via our toll-free phone number, 800-790-9140.

First Service: Between 600-1,000 miles after installation oil and filter must be changed, valves readjusted and cylinder heads retorqued if applicable (refer to initial start-up instructions.)

effective August 1<sup>st</sup> 2009
